FLOW EZY FILTERS - SOLVING PROBLEMS THROUGH FILTRATION

SEE A FILTER BELOW THAT LOOKS LIKE THE ONE YOU NEED BUT YOU DON'T KNOW WHERE TO GO TO GET IT?

Go to our Custom Filter and Strainer Division element identification worksheet at the following link, fill in the blanks, and chances are we will be able to help you.

[Filter Element Worksheet](#)

WHAT IF YOU NEED A FILTER AND YOU HAVE THE MANUFACTURER'S NAME AND PART NUMBER?

We have an exhaustive crossover and interchange list right on our web site that you can download to your own computer. This listing is updated monthly and there are over 23,000 different part numbers. You can also download our Crossover Catalog CC-2. But don't worry if you can't find what you're looking for. Give us a call, send us a fax, or e-mail us with your questions and we'll help you. The phone and fax are free so contact us anytime.

DO YOU NEED A FILTER FOR YOUR HYDRAULIC POWER UNIT OR THE HYDRAULICS ON YOUR HEAVY EQUIPMENT?

Flow Ezy has been manufacturing filters, strainers, and accessories since 1945. We know how to make filters and strainers to meet your requirements. We have over \$1.7 Million in inventory ready for next day, or in some cases, same day shipping. Before you call the "other guys," call Flow Ezy. Our customer service takes a back seat to no one. If we don't make

it, we'll get it for you. We do filters and that's all we do. That's why we're good at it. If you would like to contact us anytime, our complete list of contacts is on our web site. Direct your questions or issues to the appropriate person to expedite your needs. By clicking on the following link, this should help you decide who you can talk with or send an e-mail to.
